Not covered

State trademark registers (including Florida, where the applicant LLC is), business entity names, foreign registers, social media handles, design marks, surname questions and STELLAN's priority date. Whether the shared STELL- root and a crowded STELLA field change the risk is a question for an attorney.

Method

USPTO trademark search (tmsearch.uspto.gov) with Lucene queries on the word mark, pseudo mark, class and goods fields. Amazon search and brand filter, Etsy shop search, myshopify.com subdomain checks, web search, Apple iTunes Search API, Google Play search, RDAP domain lookups. Run on 2026-11-27. Records filed after this date, and unregistered use that is not online, are not included.
